

## 2006 CANAR Mid-Year Conference Green Bay, Wisconsin

*Stephen "Corky" West*

Planning for the 2006 CANAR Mid-Year Conference is moving at a fast pace. The Core Planning Committee, comprised of the five AIVR Project Directors in Region V, and representatives of RRCEP from Southern Illinois University, have a blueprint of the Conference agenda. The latest information includes:

The location is the Green Bay/Oneida Radisson Hotel and Conference Center on the Oneida Reservation, just across the street from the airport.

**The dates are Sunday, June 4th through Wednesday, June 7th.**

The Conference theme "Soaring to New Heights - Building on Our Past" portrays the goal of the 2006 Mid-Year: To facilitate our continual growth as VR professionals so that we may enhance services for and with our consumers.

The program covers a variety of presentations suggested by past CANAR Conference participants and TVR directors and staff. Please forward any suggestions of topics and speakers as soon as possible.

The daily format for the conference includes a Project Directors' meeting on Sunday morning, the CANAR Membership Meeting Sunday afternoon, and a variety of sessions beginning Monday morning and continuing through Wednesday noon.

A block of 150 guest rooms has been reserved at the Radisson under the "CANAR Mid-Year Conference." Room rates are \$67/night-single and \$77/night-double. Reserve a room by calling the Radisson at 920-494-7300, or toll free at 800-333-3333.

Final details of conference registration are being "hammered out" and will be made available via a conference brochure, which will be distributed using an array of media, including the Internet.
